## United Teen Podcast For Change

United Teen Podcast for Change is an eTwinning project that empowers teenagers to share their voices, opinions, and ideas through creative podcasting. Students from different countries collaborate to discuss real-life issues, promote empathy, and inspire positive change in their communities. Through teamwork, digital creation, and open dialogue, they develop essential life skills such as communication, critical thinking, collaboration, and creativity — becoming confident, responsible, and active global citizens.

### Teen Podcast for Change Romanian novel

<https://www.youtube.com/watch?v=0LqedLSYBHU>

Step into the world of *The Lucky Mill*, a powerful story by Ioan Slavici that explores the fine line between ambition and destruction.

In this podcast, we follow Ghiță's journey, a man driven by the desire for a better life, who slowly becomes trapped in a web of greed, fear, and difficult choices. What begins as hope turns into a moral struggle, raising timeless questions about honesty, family, and the true meaning of happiness.

Through engaging discussion and reflection, we invite you to discover how one decision can change everything, and how the pursuit of "luck" can sometimes lead to loss.

🗨️ Is success worth the price of your conscience?

🗨️ Can we escape the consequences of our choices?

🎙️ Join us and reflect on a story that remains deeply relevant for today's teenagers and for all of us.
